

# Welcome to the webinar

NordLCA, NordLCA+ and today's goals

Bob Hamel  
Project leader NordLCA  
Norwegian Public Roads Administration  
Webinar NordLCA 18.11.2020

# Summary NordLCA

## NordLCA deliverables

- Nordic guide for the use of LCA for infrastructure (website)
- state-of-the-art report LCA-tools for infrastructure
- road map for development towards better LCA
- yearly branch seminars

## NordLCA benefits

- Nordic network of LCA experts in participating countries. Also consultants.
- Exchange of knowledge and tools

# Why NordLCA+?

- Continue the valuable cooperation
- Increasing need for guidance due to
  - large scale use
  - use of LCA in relation to tender procedures
- Speed up linking BIM with LCA
- Continue sharing knowledge with LCA communities and building networks

# Goals NordLCA+

- improvement of LCA and procedures for LCA
- contribute to linking LCA and BIM
- user-friendlier and better tools
- better understanding of LCA in different procurement models
- increased knowledge through sharing of knowledge and experiences

... in order to contribute to reduction of GHG emissions!

Have a nice webinar!
